

Inside Italy: Paul Horn and Friends

Last Updated Friday, 04 May 2007

A three dimensional multimedia concert by renowned flautist Paul Horn and the Inside/Outside Art Group from San Francisco. Featuring the hauntingly beautiful music of Paul Horn, Christopher Hedge, and Julian Smedley.

Synopsis "Inside Italy," filmed in San Francisco and Rieti, Italy, and mixed in Dolby Surround Sound in San Francisco. Dolby Laboratories was so taken with the film that they offered the use of their state of the art theatre for the film's premiere in San Francisco in April 1997. "Inside Italy" was aired nationally in Canada on Bravo! in October 1997. In fact, the editor of Bravo!'s monthly viewer's guide chose it as "editor's pick."
